The Hypnosis Show!

HYPNOSIS — a fast-paced, funny, amazing sixty-minute presentation wherein your audience members become the stars of the show!

WHAT HAPPENS? — Under the power of **HYPNOSIS**, imagine your audience members -- people whom you know and work with -- becoming movie stars, ballet dancers, Space Aliens and even Strippers (don't worry; no clothes *really* come off)! You'll know you made the right decision when you hear your audience's laughter and gasps of amazement!

Children's Birthday Parties:

MAGIC SHOW: From ages 5-10 years of age, this thirty-minute magic show, followed by balloon animals for each guest, is a great entertainment. Total audience interaction with lots of laughs and fun for everyone.

USE YOUR MIND SHOW: When children get older, say 11 years and up, sometimes they are too "cool" for a regular Magic Show. So for the more sophisticated younger audience, we suggest the **USE YOUR MIND SHOW**. This is a version of the **MINDBENDERS!** Mind-reading show especially designed for younger audiences! Interactive and amazing, this show encourages your audience to use their imagination, visualization, and powers of perception. It's unlike any other show you'll ever see! Even the adults will enjoy it!

Balloon Animals

"The Rembrandt of Rubber" creates endearing sculptures of all your favorite animals, including Roger Rabbit, E.T., Tigger, Teddy Bears, Mickey Mouse and about three dozen MORE!
